## LANGUAGES

Español ( Native)
Inglés (Intermedio)

Hiello! I'm Sergio Cardona, a Full-stack developer with more than 16 years of experience. located in Medellín, Colombia.

When I learned about code for the first time, I felt a great passion for technology and for all the things we can made with it. I don't know how many web projects I have participated in! but I do know that I have enjoyed to the fullest each line of code and each hour spent on the computer.
